Personal Pizzas

Ingredients

- Enough English muffins or sub rolls for your family.
- Pizza or spaghetti sauce.
- Shredded mozzarella cheese.
- Your favorite pizza toppings, such as pepperoni, black olives, Canadian bacon, canned pineapple, bell pepper, and/or mushrooms.

Materials

- Baking sheet.
- Spoon.
- Butter knife.

Directions

1. Preheat oven or toaster oven to 375 °F.
2. Use butter knife to cut English muffin (or sub rolls) in half and place the muffins cut side up on a baking sheet.
3. Spread two spoonfuls of pizza or spaghetti sauce onto each of the muffins.
4. Top each muffin with cheese and your favorite pizza toppings.
5. Bake for 10 minutes in preheated oven or until the cheese is melted and browned on the edge.

Math Tips

- “How many English muffins do we need so everyone in our family can have one?”
- Have your child count as they add two spoonfuls of sauce to each of the muffins.
- “How many pieces of pepperoni are on this pizza? If we add one more pepperoni, how many will we have?”
- Ask your child to point at each object as they count.

Extra Challenge:
A matching game! Add toppings to one of the muffins and then ask your child to put the same number of toppings on a different muffin. For example, maybe you added two pepperonis and five black olives to one muffin. Support your child in putting the same number of pepperonis and black olives on a different muffin.
